

Dear CLX GA Friends,

Dear all, we have a date and location! I want to apologize beforehand for the delayed decision and notification.

July 15th – 17th, the 3rd weekend of July has been chosen for our event. Since our July rosters will be published 4 weeks earlier, it permits us to amend bookings in a timely fashion.

The airport chosen is Trier-Fohren EDRT. It did not appear on the questionnaire but given the number of votes for Bitburg and Doncourt, at least geographically our votes have been done justice.

The organization of a Friday to Sunday event simply worked out better in Trier as well as being able to invite office colleagues and permitting those of us with less than fully accommodating rosters to attend at least partially.

Trier-Fohren Management has already approved the area that we will use being a strip to the southeast of the runway for aircraft parking and tenting. Immediately adjacent to the said strip is the restaurant Blockhaus. Except for Friday evening, the Blockhaus staff will take care of our Saturday evening Barbeque as well as the Saturday and Sunday morning Brunches.

For those coming in on Friday, restaurant Eurener Hof will host our Friday evening dinner. The Eurener Hof will also hold several rooms until our rosters are published after which they need to be confirmed. Needless to say, other hotels can be used too. A bus service will be available that will not just serve the Eurener Hof but also other hotels in the area if chosen by the attendees.

On the T-Shirt and sticker front, things are still evolving in the search for high and lasting quality. As to the activities of the Saturday, things are still open, and will be shared in the next newsletters.

next newsietters.	
Yours always,	
Wieger.	

Airfield information:

Trier-Föhren EDRT

Runways:

04 ASPH TORA 1130 / LDA 1200

22 ASPH TORA 1200 / LDA 1130

Fuel: 100LL

Location:

9Nm NE of Trier, 27Nm ENE of Luxembourg.
